Share Your Solar Electricity Help Save Our Co-op

WHAT: Do you have Solar Electric panels on your home?
Are you an Eversource customer? If you said yes to both of these questions, you can allocate a % of the electricity you make to the Coop!

HOW: Google and download Eversource Schedule Z (Using a browser other than Safari) and fill it out. (there is an example on the bulletin board at the co-op)

NEXT: Fax it – 1-888-810-5678 or
Email it – netmetering@eversource.com

WHAT HAPPENS: If enough neighbors can share credits then The Co-op won't need to pay for electricity! In the past, this has been thousands of \$\$\$\$. Instead, the co-op can stock more groceries, provide more yummy food, music and a place to meet friends.
